FIT & SIZING

The 27 Sports Fit Chart is provided as a guide to the appropriate size, referencing body measurements by size. 27 Sports also provides Product Sizing Kits so that you & your team can try-on garments to assure proper size choices. Sizing Kits are available from your Regional Sales Representative, and we have knowledgeable customer service staff to assist you with questions about specific styles. * Note: Wrestling singlet catalog pages show sizing by weight (see page 30). Returns due to wrong size choices will not be accepted.

MOCKUPS

Mockups are completed on a first-in, first-out basis. Turn times on new mockup requests are typically 24-72 hours. To help expedite your mockup request, please include detailed instructions with your request. Vector art is preferred and will help accelerate your request. The less information we need to question & confirm, the quicker you will receive your mockups. *During peak order times we may exceed the 72 hour time frame.*

ORDERS & REVISIONS

Because 27 Sports items are customized to your specifications, 27 Sports will not start production of your order until you approve your final mockup and roster via email. Carefully review your artwork, mockups and rosters for accuracy. You may only make changes during the artwork approval process. Once an order is approved for production, you cannot change the style, art, quantity, sizes, or roster of that order. You may create a new order with your requested changes, and the delivery date of the new order will be issued upon approval of the new order.

PRODUCTION TIME

27 Sports provides an estimated 4-week turn time from the date of your final approval of the mockup & rosters. Any exceptions (such as holidays) will be communicated through your dealer.

COLOR STANDARDS

For the 27 Sports standard color palette of 31 colors we utilize the latest software, technology, techniques and check processes to ensure that our color palette is consistent today and year-after-year. Although we have these standards and processes in place, colors may vary slightly from order-to-order due to pigment and fabric variances.

CUSTOMER SATISFACTION

If you are not satisfied with the products you have received, please contact us within 10 working days of merchandise receipt. Please note that 27 Sports will not be responsible for damage due to improper care and maintenance of your items.

CONTACT

If you have questions, please contact us at info@27Sports.com and 844-411-9627.

27 Sports parent company Robinson Manufacturing offers many alternative embellishment options.

If you have a project or program that requires something other than sublimation, please contact your regional sales representative for more information.
